**IPCM RENEWS STRATEGIC PARTNERSHIP WITH PT CEMINDO GEMILANG TBK,
STRENGTHENING MARITIME SERVICES AT BAYAH TERMINAL**

Jakarta, March 16, 2026 – PT Jasa Armada Indonesia Tbk (IDX: IPCM), part of the Pelindo Group, has once again strengthened its strategic partnership with PT Cemindo Gemilang Tbk through the continuation of a cooperation agreement for pilotage and towage services at the Bayah Special Terminal, Banten. This collaboration reflects the continued trust of industry partners in IPCM’s maritime service quality in supporting industrial port operations.

The agreement, signed on March 10, 2026, in Bayah, Banten, is a continuation of the existing collaboration under which IPCM provides pilotage and towage services at PT Cemindo Gemilang Tbk’s special terminal. The Bayah Special Terminal plays an important role in supporting the logistics activities of the cement industry, particularly in the distribution of production raw materials and the shipment of finished products via sea transportation.

Through this synergy, IPCM plays a role in ensuring operational safety, efficiency, and the smooth movement of vessels operating within the special terminal area. Professional pilotage and towage services are key factors in maintaining the continuity of cement raw material distribution activities and the marine delivery of PT Cemindo Gemilang Tbk’s finished products.

IPCM President Director, Shanti Puruhita, stated that the continuation of this cooperation reflects industry players’ trust in IPCM’s capability to provide reliable port services with high safety standards.

“The extension of this cooperation serves as proof of the sustained trust between IPCM and PT Cemindo Gemilang Tbk. We are committed to continuously providing safe, efficient, and professional pilotage and towage services to support the smooth flow of industrial logistics activities. This collaboration is also part of IPCM’s strategy to strengthen its partnership portfolio with industry partners while maintaining sustainable business growth,” said Shanti.

As a company engaged in pilotage and towage services, IPCM consistently expands collaboration with various industrial sectors to support the efficiency of the national logistics chain. Supported by a reliable fleet and competent human resources, IPCM remains optimistic that this cooperation will continue to contribute positively to partners’ operations while strengthening the company’s future performance.

The extension of this cooperation also reaffirms IPCM’s role as a strategic partner for various special terminals and industry players in Indonesia in ensuring that port activities are conducted safely, efficiently, and sustainably.
