IPCM FLEET RESCUES 10 FISHING VESSEL CREW MEMBERS IN CILAMAYA WATERS

Cilamaya, January 24, 2026 – PT Jasa Armada Indonesia Tbk (IDX: IPCM), a pilotage and tugboat services company that is part of the Pelindo Group, demonstrated its commitment to maritime safety and humanitarian concern through swift action by its fleet in rescuing a fishing vessel that encountered an accident in the waters of Jawa Satu Power, Cilamaya, West Java.

The incident occurred on January 24, 2026, at approximately 10:30 WIB, when a fishing vessel was reported to have capsized. One of IPCM's vessels, IPCM Abimanyu IV, which was maneuvering at the time to provide berthing services for SC PRIMA CONCORD at Jawa Satu Power Terminal and was captained by Capt. Surahman, immediately conducted rescue operations. During the evacuation/rescue process, the Master of IPCM Abimanyu IV continuously coordinated with IPCM Pilot Officer, Capt. Apridiyanto, who was already aboard SC PRIMA CONCORD for the berthing process. In the operation, a total of 10 fishing vessel crew members, who according to field information were from Muara Angke, were successfully rescued in safe condition.

The evacuation process was carried out swiftly and in a coordinated manner, prioritizing the safety of all parties involved, in accordance with the operational standards and maritime safety procedures implemented by IPCM. The fishing vessel crew members were subsequently brought to a safe location for further assistance.

General Manager Area V of PT Jasa Armada Indonesia Tbk, Dadan Ramdan Agustina, stated, "The safety of human life is our top priority. The quick response carried out by the IPCM Abimanyu IV fleet together with all crew members reflects IPCM's preparedness and commitment to maintaining maritime safety and providing humanitarian assistance in our operational area."

Furthermore, Dadan emphasized that as part of the Pelindo Group, IPCM not only plays a role in supporting the smooth operation of national port and logistics activities, but also has a social responsibility in maintaining the security and safety of maritime activities.

Going forward, IPCM will continue to strengthen fleet preparedness and enhance human resource competencies to respond to various emergency conditions at sea, in line with efforts to support national maritime safety.
